One other technique is to test out prices by creating a number of duplicate sales pages with different costs on every page. Make certain your gross sales copy is exactly the similar on each

page, and contains your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum worth is.

Finally, in case you've written a book that solves a drawback or presents a brand new technique, your e-book will herald each site visitors and profits.
