Do this by making a sales web page for the brand new e book, but don't embrace a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out costs by creating a variety of duplicate sales pages with completely different prices on each page. Ensure that your sales copy is precisely the similar on each web page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum worth is.
