

Fogquest Manual

How to Price Your **Fogquest Manual** eBook

You have written and compiled an **Fogquest Manual** ebook. Now you need to resolve how much to cost for it. Discovering the best value is essential to the success of your product. If you cost too little Fogquest Manual, folks will assume it's of little worth, and they will not purchase it, and even if they do buy your ebook, you will have to sell thousands of copies to get to the point where you may start to see a profit. If you *Fogquest Manual* value it too high when put next with your competitors, you can see your self steadily lowering the worth, which is able to trigger you all types of new problems within the future.

Choosing the proper worth to your **Fogquest Manual** ebook is one of the most critical elements of the advertising process. The first rule of pricing ebooks is to by no means underprice. Decide the very best worth your audience can afford, and then in the event you discover your ebook isn't selling, you'll be able to at all times reduce the price. Earlier than you're taking that step, ensure you are selling your Fogquest Manual guide like loopy on the Internet and on websites. The worth needs to be geared toward bringing in income, but it is best to by no means forget that value is without doubt one of the factors that people use in judging the value of your *Fogquest Manual* e-book ? earlier than they buy it. So all the time start with the best price, and then launch a mega-advertising campaign.

Pricing an e book is particularly tough as a result of ebooks are a fairly new commodity. Since they're digital, the worth of an book is as complicated as the understanding of what digital truly

is to the common layperson. Which means we should look at ebooks in a different gentle in an effort to decide their precise value in this brave, new cyber world.

Let's look at the distinction between a guide in print and an ebook. A printed e book is an object you'll be able to maintain in your hand, store on your bookshelf, even hand down to the following generation. It is priced on factors such as paper inventory, design and production costs, and marketing.

But the truth that unites ebooks and print books is that they are composed of ideas. It is the concepts in these books that have the power to alter, or possibly transform, people's lives.

What do you suppose an thought is worth when evaluated towards the cost of paper and ink?

It's the IDEAS which are beneficial! That is the way you determine the cost of your ebook.

What should I cost for my ideas?

There are all different formulation and methods for determining the proper worth for your ebook. Let's begin with honing in on your ultimate goals.

Decide if your objective is to get extensive distribution and maximum exposure. This purpose is aimed at drawing prospects to your small business or service, or to establishing the credibility of your reputation. If this is your most important objective, you should goal to keep your value on the low side. Some authors have even priced their ebooks at a revenue loss to draw a excessive number of new customers. The hot button is to find a value that maximizes your earnings and the number of books you sell.

This is a wonderful pricing strategy if you are trying to acquire lengthy-term customers. Long-time period customers are extraordinarily possible to buy from you again and again ? so long as the primary book they purchase is of distinctive quality and helpful to the customer.

Nevertheless, in case your book comprises precious ? and more importantly NEW information, references, or techniques ? then you must purpose to price it on the excessive end.

After you figure out your purpose, it's essential to figure out what your viewers's need is to your ebook. For instance, does your e book clear up a specific problem? If it does, and solves it in a way that hasn't been written about in one hundred different ebooks, you will be able to obtain

excessive gross sales at a excessive price. If your e-book solves an issue or solutions questions in a brand new and unique approach, it's best to price your book as excessive as you'll be able to go. You will achieve bigger income this manner, however bring in fewer customers. Just ensure that the query or drawback that your e-book solves is one which is vital and related to the majority of your market audience. If your concepts aren't widespread data, or you are presenting a brand new technique, it is possible for you to to sell books at a excessive price. Simply be ready on your competitors to undercut you on value as quickly as they hear about your book.

Understand that the above pricing technique is temporary. Finally, you'll cease to sell books at this high price. So figure out prematurely how lengthy you plan to offer your e book at this high price, and when that point is up, change your pricing strategy.

If you wish to see giant profits over customer draw, goal for an audience that is in search of easy solutions to their problems at a low price. If your e book is aimed at solving one specific drawback slightly than basic advice, then you may cost more. Begin on the highest worth the market will bear to bring in the largest profits, and plan to discount the book a number of occasions throughout the year.

Advertising Strategies

The key that unlocks the sales potential of your ebook is to find a single sentence that turns into your promoting handle. This sentence states what question or problem your guide answers and the benefits your e-book can provide. Then make sure to use that sentence in each piece of sales and

promotional materials, and each time anybody asks you about your ebook.

Besides promoting your books assiduously on-line, there are several different strategies that can aid you promote more books.

One is to offer something away for free along with your ebook, similar to a helpful bonus item. Or bundle a number of ebooks below one price, which lowers the value for each ebook if they have been bought separately.

An effective approach for determining a price is to send out a survey to your current customers. If these clients have already bought an ebook from you, ask for their opinion when it comes to price. Do this by creating a gross sales web page for the brand new e-book, but do not embody a price on that page. As an alternative, add a number of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out prices by making a variety of duplicate sales pages with completely different costs on every page. Be sure your gross sales copy is exactly the same on each page, and includes your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum worth is.

Ultimately, if you happen to've written a book that solves a drawback or presents a new technique, your ebook will usher in both visitors and profits. So you'll want to write that selling-handle sentence that sums up what drawback your e book solves and what the advantages of your *Fogquest Manual* book will be to the purchasers who purchase it. After which watch your market come to you!
