that by creating a gross sales web page for the new ebook, however don't embrace a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with totally different costs on each page. Ensure your sales copy is strictly the identical on each web page, and includes your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum value is.
