If you happen to *Marine Labor Time Guide* price it too high when put next together with your competitors, you can see yourself steadily decreasing the value, which is able to trigger you every kind of new problems within the future.

Choosing the proper value in your **Marine Labor Time Guide** book is likely one of the most crucial elements of the marketing process. The first rule of pricing ebooks is to by no means underprice. Decide the highest value your audience can afford, and then if you find your ebook isn't selling, you may always scale back the price. Before you take that step, make sure you are promoting your Marine Labor Time Guide book like crazy on the Internet and on websites. The value should be aimed at bringing in income, but you must never neglect that worth is without doubt one of the elements that people use in judging the worth of your *Marine Labor Time Guide* ebook ? earlier than they buy it. So always start with the highest worth, and then launch a mega-marketing campaign.

Pricing an ebook is particularly difficult as a result of ebooks are a reasonably new commodity. Since they are digital, the value of an e-book is as complicated because the understanding of what

digital truly is to the common layperson. Which means we must take a look at ebooks in a different light so as to decide their actual price on this courageous, new cyber world.

Let's take a look at the difference between a ebook in print and an ebook. A printed guide is an object you possibly can maintain in your hand, retailer on your bookshelf, even hand down to the next generation. It is priced on components such as paper inventory, design and manufacturing costs, and marketing.

But the fact that unites ebooks and print books is that they're composed of ideas. It's the ideas in these books which have the ability to change, or probably remodel, people's lives.

What do you assume an concept is value when evaluated against the cost of paper and ink?

It is the IDEAS that are helpful! That's how you determine the price of your ebook.

What should I charge for my ideas?

There are all different formulas and methods for figuring out the correct value in your ebook. Let's start with honing in on your ultimate goals.

Resolve in case your aim is to get extensive distribution and most exposure. This goal is aimed toward drawing clients to your enterprise or service, or to establishing the credibility of your reputation. If this is your essential aim, it is best to aim to keep your worth on the low side. Some authors have even priced their ebooks at a revenue loss to draw a excessive variety of new customers. The bottom line is to discover a worth that maximizes your earnings and the variety of books you sell.

This is a superb pricing strategy in case you are seeking to purchase long-time period customers. Long-time period prospects are extremely doubtless to purchase from you again and again ? so long as the primary e book they purchase is of distinctive high quality and helpful to the customer.

Nonetheless, in case your e book contains useful ? and more importantly NEW information, references, or methods ? then it is best to goal to cost it on the excessive end.

After you determine your purpose, you must determine what your audience's need is in your ebook. For instance, does your book clear up a selected problem? If it does, and solves it in a approach that hasn't been written about in one hundred other ebooks, you'll be able to achieve high gross sales at

a excessive price. If your ebook solves a problem or solutions questions in a brand new and unique way, you need to price your ebook as high as you can go. You'll achieve bigger earnings this fashion, but usher in fewer customers. Just make sure that the question or drawback that your e-book solves is one which is important and related to the majority of your market audience. If your ideas are not widespread data, or you're presenting a model new method, you will be able to sell books at a high price. Just be prepared on your competition to undercut you on worth as soon as they hear about your book.

Keep in mind that the above pricing strategy is temporary. Eventually, you will cease to promote books at this high price. So work out upfront how long you plan to offer your e-book at this excessive value, and when that point is up, change your pricing strategy.

If you wish to see giant income over buyer draw, goal for an viewers that is looking for easy solutions to their issues at a low price. If your ebook is geared toward fixing one particular drawback relatively than common recommendation, then you can charge more. Start at the highest worth the market will bear to usher in the largest earnings, and plan to low cost the book a variety of occasions throughout the year.

Advertising and marketing Methods

The important thing that unlocks the gross sales potential of your book is to discover a single sentence that turns into your promoting handle. This sentence states what question or drawback your book answers and the benefits your e book can provide. Then be sure to use that sentence in each

piece of sales and promotional materials, and every time anybody asks you about your ebook.

In addition to promoting your books assiduously on-line, there are a number of other strategies that may allow you to promote more books.

One is to give something away at no cost along with your book, similar to a worthwhile bonus item. Or bundle a number of ebooks below one price, which lowers the price for each e-book if they had been sold separately.

An efficient technique for determining a worth is to ship out a survey to your present customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do this by making a gross sales web page for the new e book, however don't embody a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by making a number of duplicate sales pages with different prices on each page. Be certain that your gross sales copy is exactly the identical on every web page, and contains your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This can tell you what your optimum worth is.

In the end, if you happen to've written a guide that solves a downside or presents a new method, your ebook will bring in both traffic and profits. So be sure you write that selling-handle sentence that sums up what downside your ebook solves and what the benefits of your *Marine Labor Time Guide* e-book can be to the purchasers who buy it. After which watch your market come to you!
