that page. Instead, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out costs by creating a number of duplicate gross sales pages with totally different costs on every page. Ensure your sales copy is strictly the identical on every web page, and contains your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your site and sales of your book. It will let you know what your optimum value is.

Finally, in case you've written a e-book that solves a drawback or presents a new technique, your e-book will bring in each site visitors and profits.
