that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out costs by creating a number of duplicate gross sales pages with different prices on every page. Make sure that your gross sales copy is precisely the identical on every page, and consists of your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum value is.

Finally, for those who've written a e book that solves a downside or presents a new method, your book will usher in both site visitors and profits.
