Do that by creating a sales page for the brand new guide, but do not include a value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to check out prices by creating a variety of duplicate sales pages with totally different costs on every page. Make certain your gross sales copy is exactly the identical

on every page, and contains your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum price is.

Finally, in the event you've written a ebook that solves a problem or presents a new approach, your book will usher in both site visitors and profits.
