An efficient technique for determining a price is to ship out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion in terms of price. Do this by creating a sales web page for the brand new ebook, but don't include a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with different prices on each page. Be sure your gross sales copy is precisely the identical on every web page, and includes your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum value is.

Ultimately, in case you've written a ebook that solves a drawback or presents a new method, your book will bring in each visitors and profits.
