Do that by making a sales web page for the brand new e-book, however don't include a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by making a number of duplicate gross sales pages with totally different prices on every page. Be certain your gross sales copy is strictly the identical

on each web page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. This can inform you what your optimum worth is.

Ultimately, for those who've written a e-book that solves a drawback or presents a brand new method, your ebook will herald both traffic and profits.
