Do this by making a sales page for the new guide, however don't embrace a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with totally different prices on every page. Be sure that your gross sales copy is precisely the similar

on every web page, and includes your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum price is.
