If these prospects have already bought an e-book from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the brand new ebook, but don't include a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out prices by creating a number of duplicate sales pages with totally different prices on each page. Make sure that your sales copy is exactly the similar on each web page, and includes your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum worth is.

Ultimately, if you've written a book that solves a drawback or presents a new method, your ebook will usher in each traffic and profits.
