these clients have already bought an e-book from you, ask for their opinion in terms of price. Do this by making a sales page for the new guide, however do not include a worth on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out prices by creating a number of duplicate sales pages with completely different prices on every page. Be certain that your gross sales copy is strictly the similar on each page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum value is.
