An efficient approach for figuring out a value is to send out a survey to your current customers. If these prospects have already purchased an book from you, ask for their opinion by way of price. Do this by creating a sales page for the brand new guide, but don't embrace a price on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by making a variety of duplicate gross sales pages with totally different prices on every page. Make sure your sales copy is precisely the same on each web

page, and contains your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and sales of your book. This can tell you what your optimum price is.

Finally, in case you've written a guide that solves a drawback or presents a brand new approach, your book will usher in both visitors and profits. So be sure to write that promoting-handle sentence that sums up what downside your book solves and what the benefits of your 2021 ebook shall be to the shoppers who purchase it.
