Do that by making a gross sales web page for the new e book, however don't include a value on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out costs by creating a number of duplicate sales pages with totally different costs on every page. Make sure your gross sales copy is strictly the same on each page,

and includes your selling-handle sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This can inform you what your optimum worth is.

Finally, for those who've written a ebook that solves a problem or presents a new method, your ebook will herald both traffic and profits.
