If these customers have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by making a sales web page for the brand new ebook, but do not embrace a worth on that page. Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with different costs on every page. Ensure that your gross sales copy is precisely the same on every web page, and includes your promoting-deal with sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum worth is.

Ultimately, when you've written a e book that solves a downside or presents a brand new method, your book will herald each site visitors and profits.
