One is to give one thing away at no cost together with your book, reminiscent of a useful bonus item. Or bundle several ebooks below one worth, which lowers the worth for every e book in the event that they were sold separately.

An effective technique for determining a value is to send out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do that by creating a sales web page for the brand new e-book, however don't embrace a worth on that page. Another strategy is to test out prices by making a variety of duplicate sales pages with different costs on each page. Ensure that your gross sales copy is precisely the same on every web page, and contains your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum worth is.

Ultimately, when you've written a e-book that solves a downside or presents a brand new technique,
