As an alternative, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with totally different costs on every page. Be sure your gross sales copy is precisely the same on each page, and

includes your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and sales of your book. This will tell you what your optimum worth is.

Finally, in case you've written a book that solves a problem or presents a new approach, your guide will bring in both site visitors and profits.
