One other strategy is to test out prices by creating a number of duplicate gross sales pages with completely different costs on every page. Be sure that your sales copy is exactly the identical on

each page, and includes your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum worth is.

Finally, should you've written a ebook that solves a drawback or presents a new method, your e book will bring in each site visitors and profits.
