Then be sure you use that sentence in every piece of gross sales and promotional materials, and every time anyone asks you about your ebook.

Apart from selling your books assiduously on-line, there are a number of different methods that may make it easier to sell more books.

One is to provide something away free of charge together with your e-book, corresponding to a useful bonus item. Or bundle a number of ebooks below one value, which lowers the worth for each e-book if they have been offered separately.

An efficient approach for determining a price is to ship out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for their opinion by way of price. Do this by creating a sales page for the brand new ebook, however do not embody a price on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out prices by making a number of duplicate sales pages with totally different costs on each page. Ensure your gross sales copy is strictly the same on each page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum worth is.

Finally, should you've written a e-book that solves a problem or presents a brand new approach, your e-book will bring in both site visitors and profits. So remember to write that promoting-deal with sentence that sums up what problem your ebook solves and what the benefits of your 353 e book might be to the purchasers who purchase it. And then watch your market come to you!
