If these customers have already purchased an e book from you, ask for their opinion when it comes to price. Do that by making a sales page for the brand new book, but don't embrace a value on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out costs by making a number of duplicate gross sales pages with different costs on each page. Be sure your gross sales copy is precisely the similar on each page, and consists of your selling-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This may let you know what your optimum value is.

Finally, in the event you've written a book that solves a drawback or presents a brand new technique, your e book will usher in each visitors and profits.
