Do that by making a gross sales page for the brand new book, however do not embrace a value on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out costs by creating a variety of duplicate sales pages with completely different prices on each page. Ensure that your sales copy is strictly the identical on

each page, and contains your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum worth is.

In the end, should you've written a guide that solves a problem or presents a new technique, your book will herald both site visitors and profits.
