Do this by making a gross sales web page for the new guide, but don't embody a value on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with different prices on each page. Be certain your sales copy is strictly the identical on each page,

and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your web site and sales of your book. This may tell you what your optimum value is.

Finally, when you've written a e-book that solves a downside or presents a brand new method, your ebook will herald both traffic and profits. So remember to write that selling-handle sentence that sums up what downside your e book solves and what the benefits of your 608 e-book will probably be to the shoppers who purchase it.
