If these prospects have already bought an e-book from you, ask for his or her opinion in terms of price. Do this by creating a gross sales web page for the new e-book, but don't embody a price on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with completely different prices on every page. Make certain your sales copy is exactly the identical on

every web page, and includes your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your website and gross sales of your book. This can let you know what your optimum value is.

Ultimately, should you've written a ebook that solves a problem or presents a brand new approach, your guide will usher in each site visitors and profits.
