If these prospects have already purchased an e book from you, ask for his or her opinion when it comes to price. Do this by creating a gross sales web page for the new e-book, however do not embrace a worth on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Make sure your gross sales copy is strictly the similar on each web page, and includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum worth is.

Finally, in case you've written a book that solves a problem or presents a new approach, your guide will herald both site visitors and profits.
