If these prospects have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by creating a sales page for the brand new e book, but don't include a worth on that page. Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a variety of duplicate sales pages with different costs on every page. Be sure your gross sales copy is precisely the same on each page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. This may inform you what your optimum value is.

Ultimately, should you've written a guide that solves a downside or presents a new technique, your e book will bring in both visitors and profits.
