Do this by making a gross sales web page for the new guide, however do not include a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out costs by making a variety of duplicate gross sales pages with completely different prices on every page. Ensure your gross sales copy is strictly the same on every web page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum worth is.

In the end, should you've written a book that solves a drawback or presents a brand new approach, your guide will usher in both site visitors and profits.
