Another technique is to check out costs by making a variety of duplicate sales pages with totally different prices on every page. Be sure your gross sales copy is exactly the same on every web page,

and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your website and gross sales of your book. This can let you know what your optimum worth is.

Finally, if you've written a guide that solves a problem or presents a new approach, your guide will usher in each traffic and profits. So you should definitely write that selling-deal with sentence that sums up what drawback your guide solves and what the advantages of your 874 e book might be to the purchasers who buy it.
