Do that by making a gross sales web page for the brand new book, however do not include a worth on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with totally different prices on every page. Ensure that your gross sales copy is strictly the same on

each web page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum value is.
