Do this by making a sales page for the brand new e-book, however do not include a worth on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out costs by creating a number of duplicate sales pages with totally different prices on each page. Make sure that your sales copy is exactly the same on every page, and

consists of your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. It will inform you what your optimum value is.

Finally, in case you've written a book that solves a drawback or presents a new approach, your book will usher in both site visitors and profits.
