An effective method for figuring out a value is to ship out a survey to your present customers. If these customers have already bought an e-book from you, ask for his or her opinion in terms of price. Do that by making a gross sales page for the brand new e book, but do not embrace a price on that page. As a substitute, add various links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with completely different costs on every page. Ensure that your gross sales copy is exactly the same on

each page, and includes your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum worth is.
