As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with totally different prices on every page. Make sure your gross sales copy is strictly the similar on every web page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and sales of your book. This can tell you what your optimum value is.
