An effective technique for figuring out a worth is to ship out a survey to your present customers. If these clients have already bought an e-book from you, ask for their opinion in terms of price. Do this by making a gross sales web page for the brand new book, but don't embody a price on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Be sure that your gross sales copy is strictly the identical on each page, and consists of your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and sales of your book. This may inform you what your optimum value is.
