The right way to Price Your **Youth Conference Planning Guide** eBook

You've written and compiled an **Youth Conference Planning Guide** ebook. Now you have to determine how much to cost for it. Finding the correct price is crucial to the success of your product. If you charge too little Youth Conference Planning Guide, folks will assume it is of little value, and so they will not purchase it, and even if they do buy your book, you will have to promote hundreds of copies to get to the point where you may start to see a profit. For those who *Youth Conference Planning Guide* value it too excessive compared with your competition, one can find your self steadily decreasing the worth, which is able to cause you all kinds of new issues in the future.

Choosing the proper price for your **Youth Conference Planning Guide** e book is one of the most important parts of the advertising and marketing process. The first rule of pricing ebooks is to never underprice. Decide the highest value your audience can afford, and then when you discover your guide isn't selling, you'll be able to at all times cut back the price. Earlier than you are taking that step, be sure you are promoting your Youth Conference Planning Guide e book like crazy on the Web and on websites. The worth needs to be aimed toward bringing in income, but it's best to by no means overlook that value is without doubt one of the components that individuals use in judging the worth of your *Youth Conference Planning Guide* ebook ? earlier than they buy it. So at all times begin with the best price, and then launch a mega-advertising and marketing campaign.

Pricing an book is particularly difficult as a result of ebooks are a fairly new commodity. Since they are digital, the worth of an ebook is as complicated because the understanding of what digital

actually is to the average layperson. This means that we should look at ebooks in a different mild to be able to determine their precise price on this brave, new cyber world.

Let's look at the difference between a e-book in print and an ebook. A printed e book is an object you can maintain in your hand, store on your bookshelf, even hand down to the following generation. It is priced on elements such as paper stock, design and manufacturing prices, and marketing.

But the truth that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books that have the power to change, or presumably transform, people's lives.

What do you suppose an idea is value when evaluated in opposition to the price of paper and ink?

It's the IDEAS which can be valuable! That's the way you decide the price of your ebook.

What should I cost for my ideas?

There are all completely different formulation and methods for figuring out the proper price in your ebook. Let's begin with honing in on your ultimate goals.

Decide if your goal is to get huge distribution and most exposure. This objective is geared toward drawing customers to your enterprise or service, or to establishing the credibility of your reputation. If that is your most important objective, you should goal to keep your price on the low side. Some authors have even priced their ebooks at a revenue loss to attract a excessive number of new customers. The key is to discover a value that maximizes your income and the number of books you sell.

This is a superb pricing strategy if you are trying to purchase long-time period customers. Long-time period clients are extremely possible to buy from you again and again ? so long as the first e-book they buy is of exceptional high quality and useful to the customer.

Nonetheless, in case your e book incorporates worthwhile ? and extra importantly NEW info, references, or strategies ? then it's best to purpose to price it on the high end.

After you determine your purpose, it's essential to work out what your viewers's need is in your ebook. For instance, does your guide resolve a particular problem? If it does, and solves it in a manner that hasn't been written about in 100 other ebooks, you can be in a position to obtain high

gross sales at a high price. In case your ebook solves an issue or answers questions in a brand new and distinctive way, you need to value your e book as high as you'll be able to go. You'll achieve bigger earnings this way, but bring in fewer customers. Simply make sure that the question or problem that your book solves is one which is necessary and related to the majority of your market audience. In case your concepts are usually not frequent information, or you are presenting a brand new approach, it is possible for you to to promote books at a excessive price. Just be prepared for your competitors to undercut you on price as quickly as they hear about your book.

Take into account that the above pricing technique is temporary. Finally, you will cease to sell books at this excessive price. So work out upfront how long you plan to supply your e book at this high price, and when that point is up, change your pricing strategy.

If you want to see massive income over customer draw, aim for an audience that is on the lookout for easy solutions to their problems at a low price. If your e-book is aimed at fixing one explicit drawback quite than basic recommendation, then you'll be able to cost more. Start on the highest price the market will bear to bring in the largest income, and plan to discount the book a variety of times all through the year.

Advertising Methods

The important thing that unlocks the sales potential of your e-book is to discover a single sentence that turns into your promoting handle. This sentence states what query or drawback your book solutions and the benefits your e-book can provide. Then be sure to use that sentence in every piece

of sales and promotional materials, and every time anyone asks you about your ebook.

Besides promoting your books assiduously online, there are a number of different methods that may show you how to sell extra books.

One is to provide one thing away without cost with your book, corresponding to a beneficial bonus item. Or bundle several ebooks underneath one value, which lowers the price for each e-book if they were bought separately.

An effective approach for figuring out a price is to send out a survey to your current customers. If these clients have already bought an book from you, ask for their opinion by way of price. Do that by making a gross sales page for the new e-book, however do not embody a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out costs by creating a variety of duplicate gross sales pages with different costs on each page. Be certain that your sales copy is exactly the similar on each page, and contains your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. It will tell you what your optimum value is.

Ultimately, for those who've written a e book that solves a downside or presents a new method, your e book will bring in each visitors and profits. So be sure you write that selling-handle sentence that sums up what problem your book solves and what the benefits of your *Youth Conference Planning Guide* guide can be to the shoppers who purchase it. After which watch your market come to you!
